- (iii) The proposed first year budget statement makes specific reference to the cost of retaining a qualified consultant to conduct the performance audit. This estimate has been based on a price figure negotiated by the Declarant with a duly qualified and independent third-party consultant to undertake the performance audit on behalf of the Condominium, after the Condominium has been created. In the event that the Board chooses to retain an alternate consulting engineer or architect to undertake the performance audit, at a cost or figure higher than the negotiated price, then with respect to the Declarant's accountability for any deficiency in the first year budget arising pursuant to section 75 of the Act, it is the Declarant's stated position that it shall only be responsible for the amount of the negotiated price, insofar as the cost of the performance audit is concerned, and that any expenditure in excess of said amount shall be the sole responsibility of the Condominium. Purchasers are hereby advised to carefully review the first-year budget statement enclosed herewith for further details.

(c) **The Condominium Financial Audit**

- (i) Purchasers are also further advised that following registration of the Condominium, the services of a qualified and independent chartered accountant or auditor will be retained, in order to have audited financial statements prepared as of the last day of the month in which the turnover meeting will be held. Said financial statements will be delivered by the Declarant to the Board within sixty (60) days after the turnover meeting, in accordance with section 43(7) of the Act. In addition, the Condominium's auditor will prepare a set of annual audited financial statements in respect of the Condominium and the auditor must present said financial statements before the annual general meetings of the owners, and submit a formal report on such statements to the Condominium (on behalf of the owners) in accordance with the provisions of sections 66 to 71 of the Act.

- (ii) The proposed first year budget statement makes specific reference to the estimated cost of retaining a qualified accountant to prepare and conduct all requisite financial statements and audits required or prescribed by the Act during the first year of the Condominium's operation. This estimate has been based on a price figure negotiated by the Declarant with a duly qualified and independent third-party accountant, to undertake the financial statements and audits on behalf of the Condominium, after the Condominium has been created. In the event that the Board chooses to retain an alternate accountant or auditor to prepare and conduct all requisite financial statements and audits during the first year, at a cost or figure higher than the negotiated price, then with respect to the Declarant's accountability for any deficiency in the first year budget arising pursuant to section 75 of the Act, it is the Declarant's stated position that it shall only be responsible for the amount of the negotiated price, insofar as the cost of the financial statements and audits are concerned, and that any expenditure in excess of said amount shall be the sole responsibility of the Condominium. Purchasers are hereby advised to carefully review the first-year budget statement enclosed herewith for further details.

(d) **Miscellaneous Contracts**

The Board will enter into such contracts as may be necessary or required for the provision of services to the Condominium including, without limitation, hydro, water, gas, provision of supplies, insurance, accounting services, and other such matters as may be required for the orderly operation of the business of the Corporation.

11.3 Mutual Use Agreements (Section 113 of the Act)

The Declarant does not intend to enter into any agreement that is required for the mutual use, provision and/or maintenance and/or cost sharing of any facilities other than the Shared Road Agreement referenced herein.

11.4 Proposed Insurance Trust Agreement (Section 114 of the Act)

The Corporation is authorized to enter into an agreement with an Insurance Trustee which shall be a Trust Company registered under the *Loan and Trust Corporations Act*, or shall be a Chartered Bank. As of the date of the Disclosure Statement, the Declarant does not intend to enter into an Insurance Trust Agreement.

XII. AMALGAMATION

12.1 No Amalgamation and Statement regarding Amalgamation

- (a) The Declarant does not intend to cause the Corporation to amalgamate with any other existing or proposed condominium within sixty (60) days of the date of registration of the Declaration and Description nor does the Declarant have any knowledge that the Corporation intends to amalgamate with another corporation.
- (b) No amalgamation is intended or proposed between the Condominium and any other existing or proposed condominium corporation. Accordingly, no amalgamation documentation is available.

XIII. FIRST YEAR BUDGET STATEMENT

13.1 Budget Statement

- (a) A Budget Statement for the one-year period immediately following registration of the Declaration and the Description is included with (and should be considered as an integral part of this Disclosure Statement).
- (b) The Declaration contains a provision whereby during the first year following registration of the Declaration, the Declarant shall not be required to contribute to the payment of common expenses for a POTL. Purchasers are advised however that upon the registration of a transfer of title for a POTL from the Declarant during such first year following registration of the Declaration, the new owner of such POTL shall thereafter be required to contribute to the payment of common expenses. Purchasers acknowledge that this may give rise to a deficit in the Budget for the first year following registration of the Declaration, however, the Purchasers acknowledge that the Declarant is responsible for a deficit in the Budget in accordance with the provisions of Section 75 of the Act, subject to the terms herein.

In order to offset any such deficit, the Declarant may provide certain services set out in the Budget, as it determines, in its sole discretion, during the first year following registration of the Declaration, in order to reduce certain actual expenses to be incurred by the Corporation.

- (c) Purchasers are advised that the Budget for the Corporation for the one-year period immediately following registration does not contemplate or take into account:
- (i) any increased costs or services; or
 - (ii) any improvements or alterations to the common elements which may result in increased costs, including without limitation, a pylon sign or entrance features, which the board of directors to be appointed by the owners after a turnover meeting pursuant to section 43 of the Act may elect to include in the Budget as a cost of the Corporation.

Any increase in services, improvements or alterations are matters beyond the control of the Declarant, and the Declarant makes no representation or warranty as to such future costs or budgets of the Corporation, nor is the Declarant responsible for any increased costs. Purchasers are advised that as POTL Owners start to contribute to common expenses, the Corporation will be required to amend the Budget from time to time and the amount payable by the various POTL Owners will vary from that listed in the Budget attached hereto.

XIV. FEES OR CHARGES TO BE PAID TO THE DECLARANT

14.1 Fees or Charges

There are no fees or charges that the Condominium is required or intended to pay to the Declarant. In addition, there are no fees or charges that the Condominium is required or intended to pay to any other person or persons, except as expressly provided or contemplated in the proposed first year budget statement of the Condominium.

XV. RESCISSION RIGHTS (Section 73 of the Act)

15.1 The following is a copy of Section 73 of the Act, which sets out the rescission rights available to a Purchaser of a POTL or as it is amended:

- (a) A purchaser who receives a Disclosure Statement under subsection 72(1) may, in accordance with this section, rescind the agreement of purchase and sale before accepting a deed to the POTL being purchased that is in registerable form.
- (b) To rescind an agreement of purchase and sale under this section, a Purchaser or the Purchaser's solicitor shall give a written notice of rescission to the Declarant or to the Declarant's solicitor, who must receive the notice within 10 days of the later of:
 - (i) the date that the Purchaser receives the disclosure statement; and
 - (ii) the date that the Purchaser receives a copy of the agreement of purchase and sale executed by the Declarant and the Purchaser.
 - (iii) If a Declarant or the Declarant's solicitor receives a notice of rescission from a Purchaser under this section, the Declarant shall promptly refund, without penalty or charge, to the Purchaser, all money received from the Purchaser under the agreement and credited towards the purchase price, together with interest on the money calculated at the prescribed rate from the date that the Declarant's solicitor received the money until the date the Declarant refunds it."

XVI. RESCISSION RIGHTS UPON MATERIAL CHANGE (Section 74 of the Act)

16.1 The following is a copy of Section 74 of the Act, which sets out what constitutes a "material change" and the rescission rights available to a Purchaser of a POTL in the Condominium in the event of a material change:

"Whenever there is a material change in the information contained or required to be contained in a Disclosure Statement delivered to a Purchaser under subsection 72(1) or a revised Disclosure Statement or a notice delivered to a Purchaser under this section, the Declarant shall deliver a revised Disclosure Statement or a notice to the Purchaser."

16.2 In this section:

"**material change**" means a change or a series of changes that a reasonable Purchaser, on an objective basis, would have regarded collectively as sufficiently important to the decision to purchase a POTL or proposed POTL in the corporation that it is likely that the Purchaser would not have entered into an agreement of Purchaser and sale for the POTL or the proposed POTL or would

have exercised the right to rescind such an agreement of purchase and sale under section 73, if the Disclosure Statement had contained the change or series of changes, but does not include:

- (a) a change in the contents of the budget of the corporation for the current fiscal year if more than one year has passed since the registration of the declaration and description for the corporation;
- (b) a substantial addition, alteration or improvement within the meaning of subsection 97(6) that the corporation makes to the common elements after a turnover meeting has been held under section 43;
- (c) a change in the portion of POTLs or proposed POTLs that the Declarant intends to lease;
- (d) a change in the schedule of the proposed commencement and completion dates for the Amenities of which construction had not been completed as of the date on which the Disclosure Statement was made; or
- (e) a change in the information contained in the statement described in subsection 161(1) of the services provided by the municipality or the Minister of Municipal Affairs and Housing, as the case may be, as described in that subsection, if the POTL or the proposed POTL is in a vacant land condominium corporation.

16.3 The revised Disclosure Statement or notice required under subsection (1) shall clearly identify all changes that in the reasonable belief of the Declarant may be material changes and summarize the particulars of them.

16.4 The Declarant shall deliver the revised Disclosure Statement or notice to the Purchaser within a reasonable time after the material change mentioned in subsection (1) occurs and, in any event, no later than 10 days before delivering to the Purchaser a Transfer/Deed of Land to the POTL being purchased that is in registerable form.

16.5 Within 10 days after receiving a revised Disclosure Statement or a notice under subsection (1), a Purchaser may make an application to the Superior Court of Justice for a determination whether a change or a series of changes set out in the statement or notice is a material change.

16.6 If a change or a series of changes set out in a revised Disclosure Statement or a notice delivered to a Purchaser constitutes a material change or if a material change occurs that the Declarant does not disclose in a revised Disclosure Statement or notice as required by subsection (1), the Purchaser may, before accepting a Transfer/Deed of Land to the POTL being purchased that is in registrable form, rescind the agreement of purchase and sale within 10 days of the latest of:

- (a) the date on which the Purchaser receives the revised Disclosure Statement or the notice, if the Declarant delivered a revised Disclosure Statement or a notice to the Purchaser;
- (b) the date on which the Purchaser becomes aware of a material change, if the Declarant has not delivered a revised Disclosure Statement or notice to the Purchaser as required by subsection (1) with respect to the change; and
- (c) the date on which the Superior Court of Justice makes a determination under subsection (5) or (8) that the change is material, if the Purchaser or Declarant, as the case may be, has made an application for the determination.

16.7 To rescind an agreement of purchase and sale under this section, a Purchaser or the Purchaser's solicitor shall give a written notice of rescission to the Declarant or to the Declarant's solicitor.

16.8 Within 10 days after receiving a notice of rescission, the Declarant may make an application to the Superior Court of Justice for a determination whether the change or the series of changes on which the rescission is based constitutes a material change, if the Purchaser has not already made an application for the determination under subsection (5).

16.9 A Declarant who receives a notice of rescission from a Purchaser under this section shall refund, without penalty or charge, to the Purchaser, all money received from the Purchaser under the agreement and credited towards the purchase price, together with interest on the money calculated at the prescribed rate from the date that the Declarant received the money until the date the Declarant refunds it.

16.10 The Declarant shall make the refund:

- (a) within 10 days after receiving a notice of rescission, if neither the Purchaser nor the Declarant has made an application for a determination described in subsection (5) or (8) respectively; or

- (b) within 10 days after the court makes a determination that the change is material, if the Purchaser has made an application under subsection (5) or the Declarant has made an application under subsection (8).

XVII. RETAINING EXCESS INTEREST ON DEPOSIT

- 17.1 Under subsection 82 (8) of the Act, the Declarant is entitled to retain the excess of all interest earned on money held in trust over the interest that it is required to be paid to the purchaser under section 82 of the Act. However, as there is no money being paid for the common interest, none of the deposit monies paid for the POTLs are legally required to be held in trust, as such for any monies being held in trust, all interest earned will be retained for the account of the Declarant.

XVIII. STANDARD UNIT

- 18.1 There is no by-law or proposed by-law of the Corporation establishing what constitutes a standard unit. As the Corporation consists of common elements only, there is no schedule that the Declarant intends to deliver to the board under clause 43 (5) (h) of the Act.

XIX. USE OF COMMON ELEMENTS

- 19.1 The Declarant does not intend to permit any part of the common elements to be used for commercial or other purpose not ancillary to residential purposes.

XX. MAJOR ASSETS TO BE PROVIDED BY DECLARANT

- 20.1 The Declarant does not intend to, but may provide major assets or property to the Corporation, even though it is not required to do so.

XXI. UNITS, ASSETS OR SERVICES THE CORPORATION MUST PURCHASE FROM THE DECLARANT

- 21.1 There are no units, POTLs, common elements, assets and/or services that the Corporation is required to purchase or acquire nor are there any agreements or lease that the corporation must enter into with the Declarant or a subsidiary body corporation, holding body corporate, affiliated body corporate the Declarant.

XXII. ADJOINING LANDS

The Declarant or a subsidiary body corporate, holding body corporate or affiliated body corporate does not own any lands adjoining the proposed Condominium other than (i) lands that may be conveyed to the Town of Fort Erie or other quasi-governmental authorities as part of the development process for road widening, 1 foot reserves, etc.; and (ii) one or more commercial condominium units south that have been developed as a commercial condominium and form part of the Adjacent Lands or Adjacent Condominium.

XXIII. MISCELLANEOUS MATTERS

23.1 Governmental Requirements

Purchasers are advised that it is anticipated by the Declarant that in connection with the Declarant's application to the appropriate governmental authorities for draft plan of subdivision and condominium approval for the Property, certain requirements may be imposed upon the Declarant by various governmental authorities. These requirements (the "**Requirements**") usually relate to warning provisions to be given to Purchasers in connection with environmental or other concerns (such as warnings relating to noise levels, the proximity of the Property to major street, garbage storage and pickup, and similar matters). Accordingly, each Purchaser covenants and agrees that on date of closing, as those terms are defined in the Agreements of Purchase and Sale, a Purchaser shall execute any and all documents required by the Declarant acknowledging, inter alia, that the Purchaser is aware of the Requirements; and (2) if the Declarant is required to incorporate the Requirements into the final condominium documents, the Purchaser shall accept same, without in any way affecting the purchase and sale transaction.

23.2 POTL Not part of Condominium

Purchasers will be specifically required to acknowledge and agree that the POTL is not part of the Condominium, but the common elements portion of the Property is intended to be part of the Condominium and will be developed in accordance with any requirements that may be imposed, from time to time, by any of the governmental authorities.

23.3 Notices and Warnings

As of the date of this Disclosure Statement, Purchasers of POTLs are hereby notified of the following warning clauses:

- (a) The Purchaser specifically acknowledges and agrees that the Dwellings and the Condominium will be constructed and developed in accordance with any requirements that may be imposed, from time to time, by way of the governmental authorities, and that the proximity of the Dwelling and Condominium to major arterial roadways may result in noise and/or vibration transmissions to the Property and the noise exposure levels affecting the Property to exceed the noise criteria established by the governmental authorities, and that despite the inclusion of noise control features within the Dwelling, noise levels from the aforementioned sources may continue to be of concern, occasionally interfering with some activities of the residential occupants in the Dwelling. The Purchaser nevertheless agrees to complete this transaction in accordance with the terms hereof, notwithstanding the existence of such potential noise concerns, and the Purchaser further acknowledges and agrees that a noise-warning clause similar to the preceding sentence (subject to amendment by any wording or text recommended by the Vendor's noise consultants or by any of the governmental authorities) may be registered on title to the Property on or before the POTL Transfer Date, if, in fact, same is required by any of the governmental authorities.
- (b) The development of the nearby surrounding lands and ongoing construction may impact the noise level of the Dwelling and the Condominium.
- (c) Without limiting the generality of the preceding subsection, the Purchaser is hereby advised that as and when other Dwellings in the Condominium are being completed and/or moved into, excessive levels of noise, vibration, dust and/or debris are possible, and same may accordingly temporarily cause noise and inconvenience to the residential occupants.
- (d) The Purchaser is hereby advised that the Vendor's builder's risk and/or comprehensive liability insurance (effective prior to the registration of the Condominium), and the Condominium's master insurance policy (effective from and after the registration of the Condominium) will only cover the common elements of the Condominium, not the Dwelling or any betterments or improvements made to the Dwelling, nor any furnishings or personal belongings of the Purchaser or other residents of the Dwelling, and accordingly the Purchaser should arrange for his or her own insurance coverage with respect to same, effective from and after the Occupancy Date (as defined in the Agreement of Purchase and Sale) all at the Purchaser's sole cost and expense.
- (e) The Purchaser acknowledges and agrees that the Vendor (and any of its authorized agents, representatives and/or contractors), as well as one or more authorized representatives of the Condominium, shall be permitted to enter the Dwelling and the common elements after the POTL Transfer Date, from time to time, in order to enable the Vendor to correct outstanding deficiencies or incomplete work for which the Vendor is responsible, and to enable the Condominium to inspect the condition or state of repair of the Dwelling and undertake or complete any requisite repairs thereto (which the owner of the POTL has failed to do) in accordance with the Act.
- (f) The Vendor reserves the right to increase or decrease the final number of POTLs intended to be created, as well as the right to alter the design, style, size and/or configuration of the Dwellings and/or any structures ultimately comprised within the Condominium which have not yet been sold by the Vendor to any POTL purchaser(s) and the right to reallocate exclusive use parking spaces to different POTL owners, all in the Vendor's sole discretion, and the Purchaser expressly acknowledges and agrees to the foregoing. Without limiting the generality of the foregoing, the Purchaser further acknowledges and agrees that one or more POTLs situate adjacent to one another may be combined or amalgamated prior to the registration of the Condominium, in which case the common expenses and common interest attributable to such proposed former POTLs will be incorporated into one figure or percentage in respect of the final combined POTLs, and the overall POTL count in relation to the Condominium will be varied and adjusted accordingly. None of the foregoing changes or revisions (if implemented) shall in any way be considered or construed as a material change to the disclosure statement prepared and delivered by the Vendor to the Purchaser in connection with this transaction.
- (g) The Purchaser acknowledges that the wires, cables and fittings comprising the cable television system servicing the POTL and/or the Condominium may be owned by the local cable television supplier and that wires, cables, transformer or energizing boxes comprising the hydro system servicing the POTL and/or the Condominium may be owned by a utility or private company supplying hydro.
- (h) The Purchaser acknowledges having been informed by the Vendor that it may be necessary for the Vendor in order to comply with the grading requirements of the municipality to enter upon the Property and/or the POTL in order to complete or alter the grading and landscaping of the Property and that the conveyance to the Purchaser may reserve a licence to the Vendor to such effect.

- (i) The Purchaser acknowledges that it will not interfere with construction of the Dwelling and the Condominium or the Vendor's trades, as they carry on their work, either with respect to the Condominium or the POTL.
- (j) The Purchaser acknowledges that mail delivery shall be serviced via a designated Community Mailbox which shall be situated upon the common elements at a location to be agreed upon by the Vendor and Canada Post Corporation.
- (k) The Purchaser acknowledges that, with the exception of the budget attached to the Disclosure Statement accompanying this Agreement, no representation or warranty has been made to the Purchaser by the Vendor or any of its agents, employees or representatives with respect to municipal taxes, utility costs or other expenses relating to the ownership or operation of the POTL. The Purchaser acknowledges that s/he shall be responsible for making his own inquiries to the appropriate municipal authorities or utilities in this regard.
- (l) The Purchaser acknowledges that homeowners, residents and/or the tenants of the POTLs will be responsible to maintain, repair and replace their own yards and driveways and all landscaping and/or snow removal will be the sole responsibility of the homeowner. Such costs are not included in the monthly common expenses.
- (m) The actual number of POTLs annexed to the Condominium may be amended as disclosed in various provisions of the Disclosure Statement. Consequently, the legal description and municipal address number which identifies a purchaser's POTL on the front page of this Agreement of Purchase and Sale may be changed by the Vendor, in its sole and absolute discretion prior to final closing.
- (n) The Purchaser acknowledges and agrees that one or more or any of the Dwellings may now or may in the future be leased by the Vendor for residential purposes.
- (o) The Purchaser is advised that owners/occupants of Dwellings are absolutely prohibited from altering the grading and/or drainage patterns established by the Vendor (or its predecessor in title) in respect of the Condominium, and subject to the provisions of the Developer or the Declaration, By-laws and rules of the Condominium in force from time to time, such owners/occupants shall not place any fence, shrub, bush, hedge or other landscaping treatment on any portion of the Common Elements (including any portion of the unpaved municipal road allowance adjacent to the Condominium).
- (p) In case of an emergency, any agent, employee or authorized representative of the Condominium Corporation may enter upon, the common elements or any part of the common elements over which any owner has exclusive use for the purpose of correcting any condition which might result in damage or loss to the Condominium Corporation. The Condominium Corporation or any one authorized by it may determine whether an emergency exists, in their sole and unfettered discretion, acting reasonably, provided that such right of entry shall not impose on the Condominium Corporation (or any of its authorized agents or representatives) any duty or liability to monitor or supervise the common elements or any exclusive use common elements.
- (q) The Purchaser acknowledges and agrees that the Vendor (and any of its authorized agents, representatives and/or contractors), as well as one or more authorized representatives of the Condominium, shall be permitted to enter the Dwelling and the common elements after the POTL Transfer Date, from time to time, in order to enable the Vendor to correct outstanding deficiencies or incomplete work for which the Vendor is responsible, and to enable the Condominium to inspect the condition or state of repair of the Dwelling and undertake or complete any requisite repairs thereto (which the owner of the POTL has failed to do) in accordance with the Act.
- (r) The Purchaser is advised that there may be utilities, service boxes, hydrants, mailboxes or other municipal services constructed adjacent to or upon boulevards in the vicinity of the Condominium. In addition, grading of the subject or neighbouring properties may require the construction of swales, slopes, retaining walls, fencing, or other devices. The Purchaser is advised that certain services may not be assumed by the Region or the Town of Fort Erie.
- (s) Purchasers are advised that transformers, fire hydrants and valves, light standards, hydro meters, cable and telephone boxes and catch basins within the development may be located and/or constructed on the common elements in close proximity to the Dwellings. Any Purchasers and/or tenants with a catchbasin and/or storm sewer pipe within the rear lot easements may be required to contact the municipality to locate the storm sewer prior to installation of a fence.
- (t) Purchasers acknowledge that on closing, there may be restrictions registered against title and/or incorporated into the Rules of the Condominium restricting the erection of fences in the rear of any rear lot POTLs that back onto the parkette or vacant lands, unless such fences are constructed with gate access to allow access to the POTL. Purchasers are directed to the proposed Restrictive

- (u) Purchaser are advised that short term rentals are not permitted for any Dwelling for a period of less than one year.
- (v) Purchasers/tenants are advised that sound levels due to increasing road traffic on Garrison Road may occasionally interfere with some activities of the dwelling unit occupants as the sound level may exceed the Ministry of Environment, Conservation and Parks' noise criteria.
- (w) Purchasers/tenants are advised that the dwelling unit may be exposed to noise, reduced air quality, odour, and/or dust from nearby commercial activities and/or vehicle traffic that may interfere with some activities of the dwelling unit occupants.
